

Education & Classroom: Interactive & Managed Learning

12-inch NFC Tablets Android (Model: 1208) + EM Pen Interface + Custom Shortcut Keys (Mute/Page Turn) + Wall-Mount. Digital signature, classroom management, and secure device deployment for schools.

Recommended Config:

12-inch NFC Tablets Android (Model: 1208) + EMR Stylus
+ Custom Shortcut Keys + Wall-Mount Module + Fingerprint

Designed for Modern Classrooms

EMR Pen Interface:

Reserved for electronic signature capture and digital annotation on exams/documents

Custom Shortcut Keys:

One-touch mute for teachers, student page turn control for interactive lessons

Wall-Mount Module:

POE/DC power support for fixed installation in classrooms or libraries

Fingerprint Authentication:

Secure login for students and staff, preventing unauthorized access

Durable Metal Housing:

Withstands daily student use and accidental drops

11.97" Large Display:

Clear visibility for group learning and digital content consumption

From Challenge to Result

How L1208 education configuration solves school pain points

● Common Education Challenges

- Difficulty managing device access for multiple students
- Lack of interactive tools for digital teaching
- Device damage from daily student handling
- Complex setup for fixed classroom installations
- Paper-based signature and exam processes

● Education Solution

- Fingerprint + Shortcut keys for easy classroom management
- EM Pen interface for digital annotation and signatures
- 2.3mm metal housing for enhanced durability
- Wall-mount module with POE/DC power for fixed setup
- Paperless workflow with electronic signature capture

Measurable Outcomes

Improved

Classroom interaction efficiency

Reduced

Paper consumption for exams

Reduced

Device management time

Deployment Guide

Get your 12-inch NFC Tablets Android (Model: 1208) education setup running in 4 simple steps

01

Mounting Installation

Install wall-mount module. Connect POE/DC power and network cables.

02

Key Configuration

Program shortcut keys (Mute/Page Turn) via Pretech Config Tool.

03

User Enrollment

Register student/staff fingerprints. Set access permissions for devices.

04

Teacher Training

Train teachers on EM pen usage and classroom management features.
